

Conservation License

New York State Conservation licenses are available at the Town Clerk's office for big and small game hunting, trapping and fishing. Licenses run from October 1st to September 30th of the following year. All sportsmen/women must present identify and address (such as a driver's license). For hunting/bowhunting licenses proof of a prior license and hunter/bowhunting training certificate is also required.

Special stamps for resident and non resident for one day fishing, junior small game (12 to 15 year olds), junior archery (14 and 15 year olds), and lost license replacement and lifetime sporting licenses are also available.
