Are You OK? (RUOK) Telephone Calling System...

The "Are You OK?" program is a computerized telephone calling system, which is a service designed for older adults, disabled persons, shut-ins who live alone or anyone else in our Town who needs to be checked on a daily basis.

It is funded by the Town of Pound Ridge and operated, free of charge, by Chief Dave Ryan and his officers at the Pound Ridge Police Station. The system calls each enrolled subscriber at the same time each day. When the subscriber picks up the phone, she/he will hear a voice saying "Good morning, are you OK?" If the phone is not answered or the line is busy after several tries, the computer immediately notifies the police who will send a patrol car to check on the person. If you plan to be away, a call to the police (764-4206) will stop the calls. The calls will be made at the same time each day and you will decide the best time for you.
