

## Lifefone Pendant

Medical Alarms from LifeFone will provide you or your family member with 24/7 monitored medical emergency service, ensuring that you will be safe, independent, and secure at times when you are most at need.

The Pound Ridge Neighbor to Neighbor (N2N) program and the Pound Ridge Police have researched the various Medical Alarm Pendant systems and recommends the Lifefone Pendant.

If you are interested in learning more about the system please contact the PR Recreation Department Senior Programs Coordinator and we can provide you with more information. You can also get more information at the Lifefone Web Site at [www.lifefone.com](http://www.lifefone.com).
