

"You're changing lives. My life is completely changed."

—Laura
Binghamton University

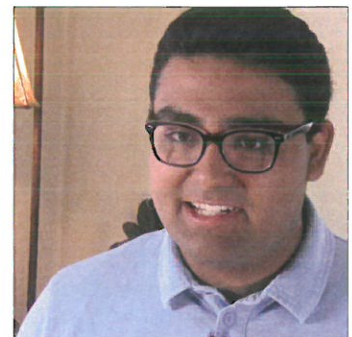

We help students aim higher

The Rewarding Potential Scholarship is a community-funded effort that helps local high school students overcome financial barriers and realize their hopes and dreams of attending college.

COLLEGE WITHIN REACH

"In my family, we don't go to college...But my parents had dreams for me. Without this scholarship I may not have been able to achieve those dreams."

—Rene
Northeastern University

When students are given the chance to achieve their educational dreams, it can be life-changing

RPS puts college within reach by providing financial and mentoring support that expands the educational horizons of eligible students—rewarding their academic potential and elevating the trajectory of their lives.

COLLEGE WITHIN REACH

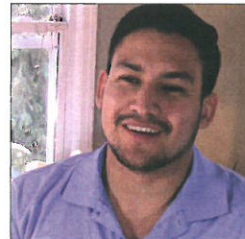

"Sometimes dreams are only dreams. But you are actually making dreams come true."

—Sophie
University at Albany

"I am studying to go to veterinary school... I don't think I would be where I am today without this."

—Fanny
University at Buffalo

"This scholarship means a huge change in my future."

—Milton
SUNY Delhi

"Both of my parents were only able to graduate high school. Because of this scholarship, my dream to go to college came true."

—Valentina
University of Bridgeport

"Ever since I was little I dreamed of going to college. Now that I will... it's absolutely incredible."

—Jackie
SUNY Oswego
