

Sustainable Clothing Companies

- *Girlfriend Collective* – partners with a recycling center that sorts, cleans and prepares plastic to be recycled into bras and leggings
- *Adidas* – some of its shoes are made from recycled ocean plastic
- *Evergreen* – clothing made of recycled plastic; packaging does not contain plastic; uses only fair wage factories for production
- *Patagonia* – has used recycled polyester since 1993; buys back old Patagonia clothing to recycle
- *Nike* – many of its shoes are made of recycled plastic
- *Timberland* – uses recycled plastic to make soles for its boots
- *Eileen Fisher* – socially responsible company that takes old clothes back, and if damaged beyond repair, turns them into one-of-a-kind artworks and pillows
- *Stella McCartney* -designed backpack made of 100% recycled marine plastic, with 100% of proceeds going to ocean conservation organizations
- *Rothy's* – shoes made from 100% recycled plastic water bottles; uses renewable materials and streamlined packaging, and biodegradable shoe boxes made from recycled materials

- *DGrade* – makes clothing from recycled plastic bottles for other brands; developed Greenspun, a high-quality yarn made from recycled water bottles
- *Sunski Sunglasses* – makes sunglasses from recycled plastic, with “forever” warranty so if they break they don’t end up in a landfill
