

Living in Bear Country

Come to an enlightening talk on whether bears are really backyard wildlife, why they're moving into the suburbs, and how to peacefully coexist with them.

At the Pound Ridge Library
Thursday, June 14, 2018
6:45 pm – 7:45 pm

Learn about black bear ecology and regional black bear occurrence and movement from wildlife scientist, **Budd Veverka**, Director of Land Management at Mianus River Gorge Preserve.
