

Pound Ridge Library Foundation

K-5 Bookmark Contest!

To celebrate **World Read Aloud Day on February 7**, the Pound Ridge Library Foundation is calling on local K-5 students to help us design our new bookmark!

The winner will be announced on World Read Aloud Day and the winning design will be printed on bookmarks for the whole town to enjoy.

Use the template on your left to submit your design. Submit by **Wednesday, January 31** in the collection bins either at the **Pound Ridge Library** or **Pound Ridge Elementary School**. Students need not attend PRES to participate.

There are only two other rules:

1. **Be creative and colorful!**
2. **Draw within the lines!**

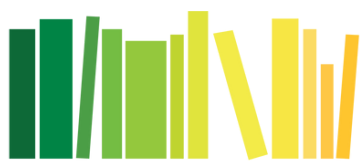

So pick up your crayons, coloring pencils or markers, and let your imagination take over! Send any questions you have to **hello@poundridgelibraryfoundation.org**.
