LATER LIFE

Written by A.R. GURNEY

Directed by Sherry Asch

Austin has spent his life convinced that something terrible would happen to him. At a cocktail party he has the opportunity to rekindle a romance begun almost thirty years ago with Ruth, now a divorcee whose personal life is in turmoil. Comically, and sometimes painfully, they rediscover each other and themselves while a bevy of free-spirited other guests remind them of the infinite possibilities that life holds, should one only choose to pursue them.

"Seldom can a sad story have been told with more fun and humor...no dramatist like him on either side of the Atlantic..." ---The New Yorker
