GROCERY SHOPPING ASSISTANCE

Have Groceries picked up and delivered to you

If you cannot drive and cannot shop for your own groceries we can have your groceries picked up and delivered to you. You provide the list of items you would like and a volunteer picks the groceries up for you at The Market at Pound Ridge Square. The shopping is done on Wednesday so the 10% senior discount will apply. A charge card must be on file with the Market.

MEALS ON WHEELS

This program provides hot meals, on a temporary basis, to residents who are medically homebound and unable to prepare their own meals. We do not deliver meals to those who are able to prepare their own meals or who have someone at their house who can prepare a meal for them. Meals are usually delivered on a temporary basis to help the individual through a crisis, and do not continue indefinitely unless your doctor certifies that you are medically homebound; the intent is to offer a joint effort with the family. A Lunch meal is delivered by volunteers Monday through Friday and on an emergency basis on weekends, excluding legal holidays. The cost of the program is \$7.50 per meal and you will be billed monthly.

CALL REASSURANCE PROGRAM

"Are You OK"

The "Are You OK?" program is a computerized telephone calling system, which is a service designed for older adults, disabled persons, shut-ins who live alone or anyone else in our Town who needs to be checked on a daily basis.

The system calls each subscriber every day at a time they would like to be called. If the subscriber does not answer the phone then

FILE OF LIFE

The File of Life is a pouch containing a form that you complete with all your medical information that emergency personnel responding to a call would need to immediately help a person with a medical emergency. The pouch has a magnet that attaches to the outside of your refrigerator in a visible location. There is also a wallet sized version.
