

Hi Tots Camp Parents,

What a great crew we have in Tots this summer! We had a fun-filled first week. We have created a google photo drive where we will be uploading pictures from the day at the end of each week. Make sure you take a look!

[Tots Camp pictures](#)

This past week our theme was Under the Sea. We had a visit from New Canaan Nature Center, Animal Embassy and Macaroni the Clown. The Tots are having so much fun with their friends!

This coming week our theme will be Animals. We have a packed week ahead. We will have visits from Family Dragon Karate, New Canaan Nature Center, Animal Embassy (with the big camp) and Zev, the musician.

Reminders:

- Drop off is at 9am and pick up is at 12pm.
- Make sure to pack water, snacks and lunch each day.
- Check for all belongings before leaving each day as we have a table of lost and found (please also double check any clothing you may have taken home by accident. We have misplaced a bag with orange shorts and an orange shirt).
- Please have your child dressed in their bathing suits.
- If your child is signed up for swim lessons on Monday and Wednesday they are now asking that you pick them up and bring them to the pool. (Sorry for any confusion!)

Just a reminder to check your email before camp starts on inclement weather days just in case we need to switch the location to Pound Ridge Elementary School. In that case, we will email as early as possible that morning with more instructions for drop off. The campers have done a great job being so flexible during the short rain showers this past week. Think sunny thoughts for this coming week though!!

Have a great rest of the weekend and see you tomorrow!

Best,

Lena, Bryanna, Lina, Sabrina, Maddie and Carmen
