

Petition to Retain Diane Briganti as Pound Ridge Town Assessor

RECEIVED

SEP 02 2025

Town Clerk's Office

To the Pound Ridge Town Supervisor and Town Board,

We, the undersigned residents of Pound Ridge, NY, urgently call for Diane Briganti to remain our Town Assessor. For over 11 years, Diane, a senior herself, has served with unmatched dedication, guiding not only seniors but all residents on tax relief and leveraging her deep knowledge of our town. Her trusted relationships with residents and 365-day commitment cannot be matched by any new applicant.

The Supervisor's decision to seek new applicants for the Assessor position lacks justification. Exploring other candidates when Diane's expertise is unmatched disregards residents' wishes. With an election approaching, we strongly urge you to listen to our voices and keep Diane in her role to avoid an injustice to our community.

We respectfully insist:

- **Retain Diane Briganti as Town Assessor.**
- **Honor the will of Pound Ridge residents. Only Residents signed this petition.**

Petition to Retain Diane Briganti as Pound Ridge Town Assessor

To the Pound Ridge Town Supervisor and Town Board,

We, the undersigned residents of Pound Ridge, NY, urgently call for Diane Briganti to remain our Town Assessor. For over 11 years, Diane, a senior herself, has served with unmatched dedication, guiding not only seniors but all residents on tax relief and leveraging her deep knowledge of our town. Her trusted relationships with residents and 365-day commitment cannot be matched by any new applicant.

The Supervisor's decision to seek new applicants for the Assessor position lacks justification. Exploring other candidates when Diane's expertise is unmatched disregards residents' wishes. With an election approaching, we strongly urge you to listen to our voices and keep Diane in her role to avoid an injustice to our community.

We respectfully insist:

- Retain Diane Briganti as Town Assessor.
- Honor the will of Pound Ridge residents. Only Residents signed this petition.
