

# NORTHERN WESTCHESTER HOSPITAL UPDATE

Derek Anderson, President  
Northern Westchester Hospital

# CHILD & ADOLESCENT BEHAVIORAL/MENTAL HEALTH

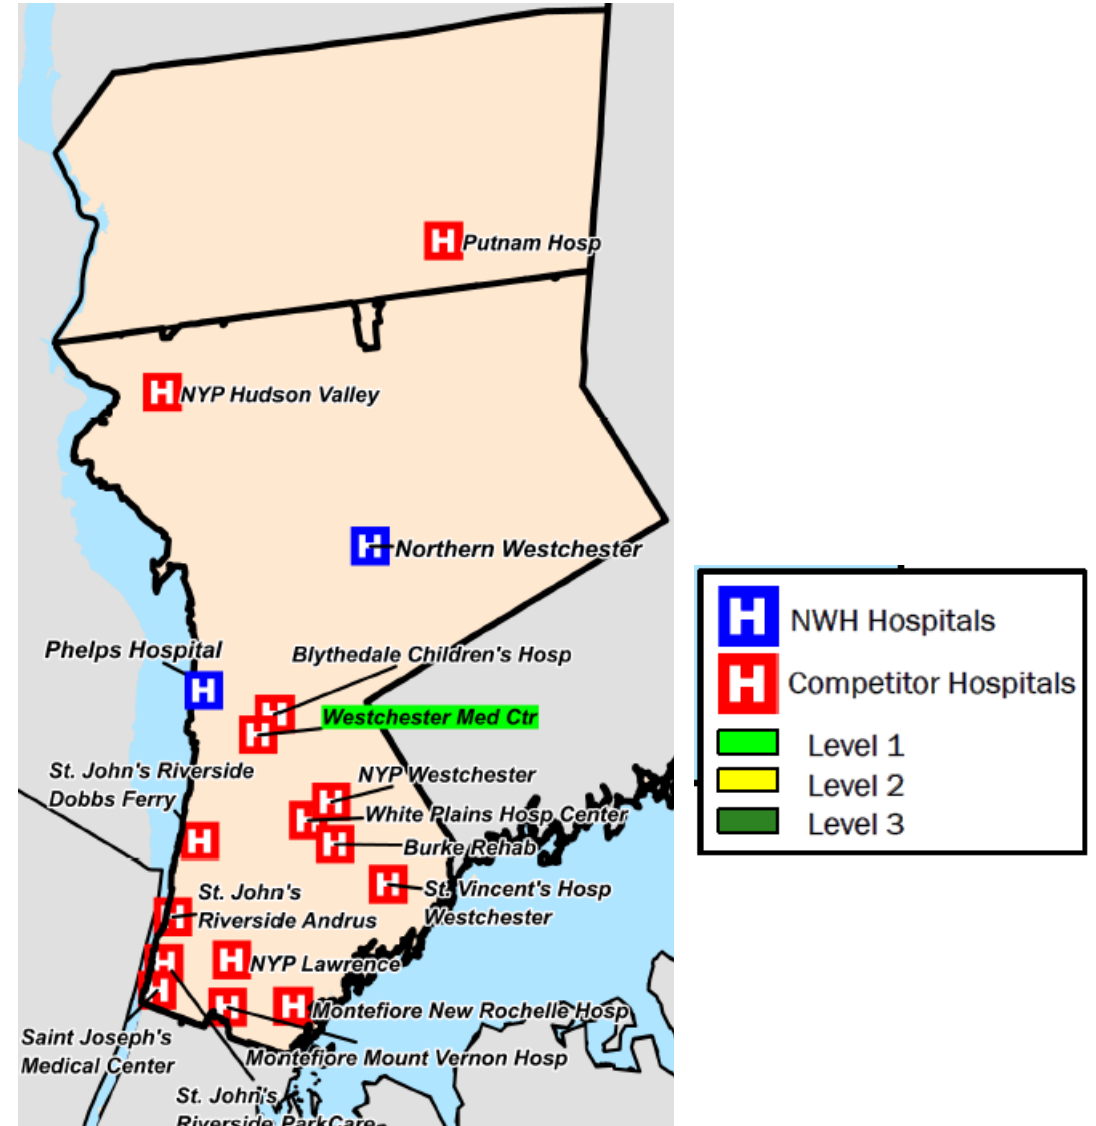

- Expanding access and increasing services in Westchester
- Community has raised over \$6 million to develop these services
- Opening of physical care site, near Ben & Jerry's, Mt. Kisco

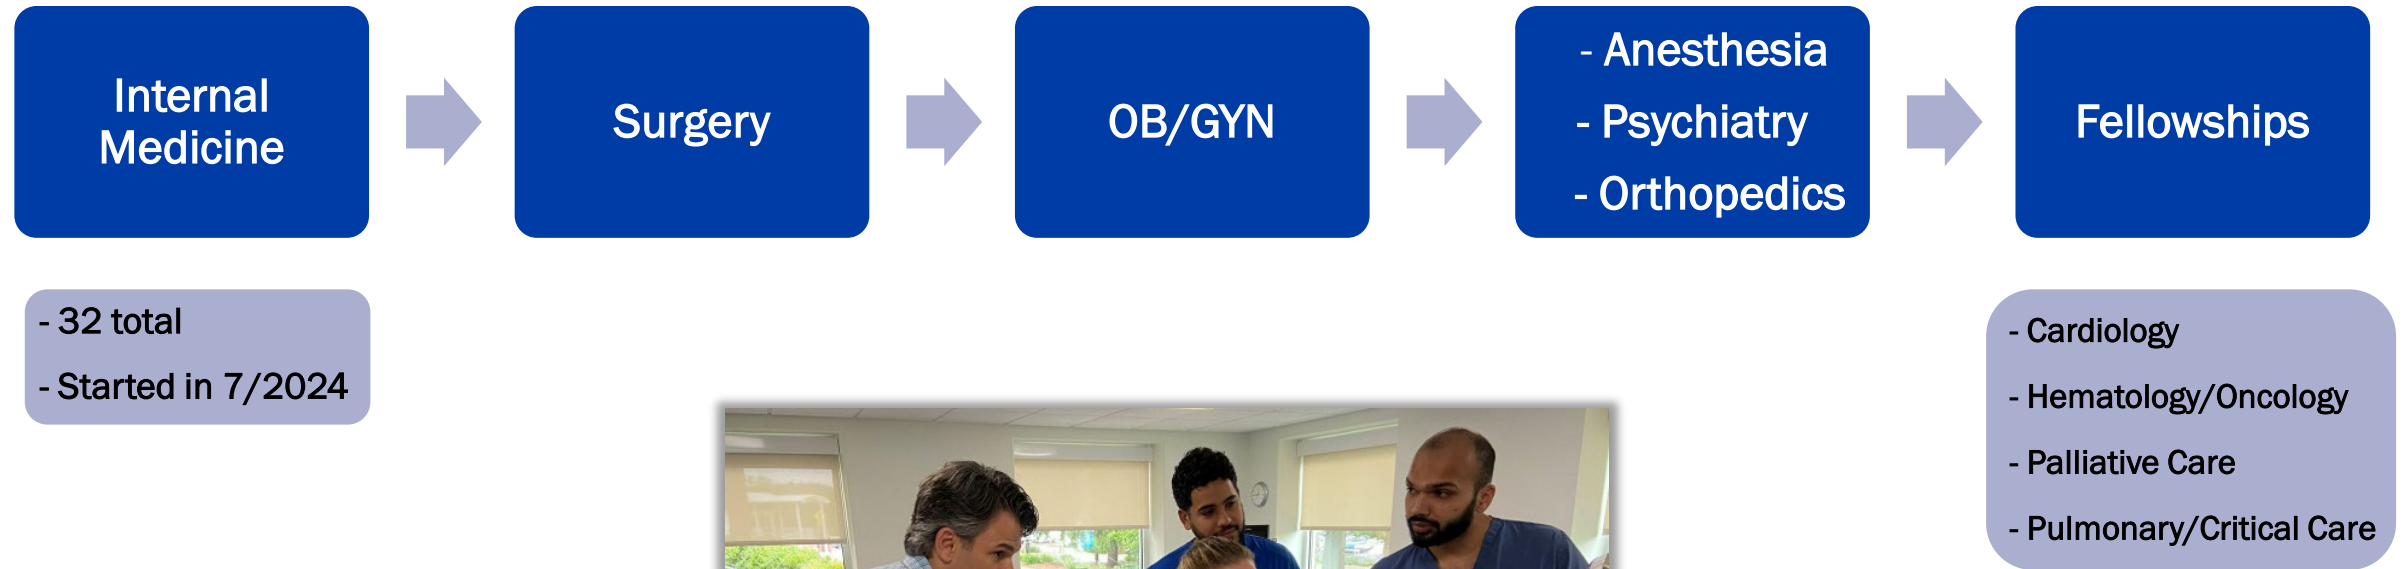

# TRAUMA LEVEL III-N

## Community Impact

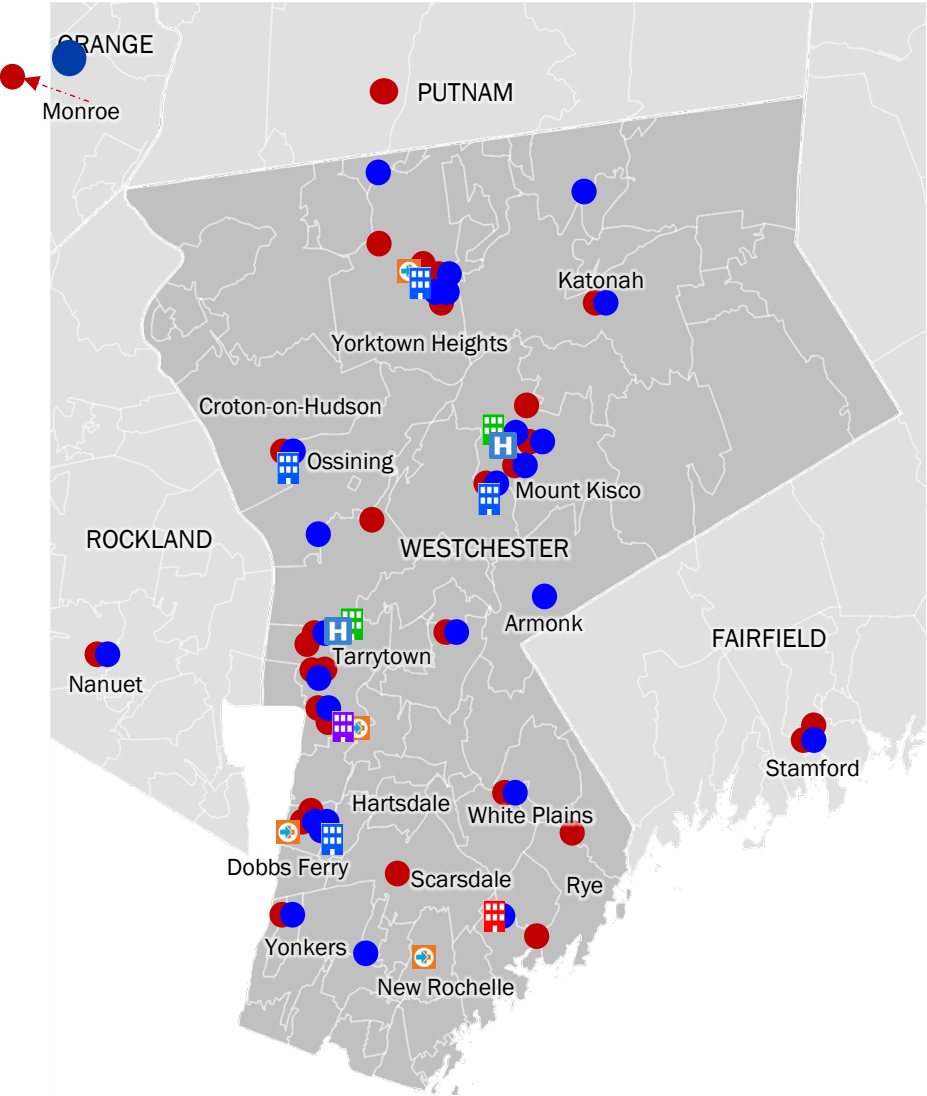

- Serve the community and public health needs in a more holistic way
- Closer to home resource to provide high quality care
- Emergency preparedness: public health infrastructure for vast geography
- Expansion of community-based trainings and educational programs (e.g. Stop the Bleed, Resiliency After Stress and Trauma, Car Seat and Bicycle Safety etc.)
