DO NOT KNOCK REGISTRY FORM

First/Last Name:

Street Address:

Phone Number:

Email Address:

Your personal information will not be shared.

The Town's Do-Not-Knock Registry prohibits solicitors and peddlers from approaching the homes of residents who have expressly asked to have their addresses added to that list. We can't restrict canvassing by nonprofits, including religious and political groups, but we can prevent for-profit entities from knocking on your door with this registry.
